Kaizen Capital announces acquisition of Kanaflex Corporation

Kaizen Capital, LLC (“Kaizen”) acquired Kanaflex Corporation and Subsidiaries (“Kanaflex”) with manufacturing plants in Illinois and California. Kanaflex is an industry-leading manufacturer of lightweight hose and pipe technology. Under new ownership, Kanaflex will invest in new products, manufacturing equipment, and technology and continue to bring new and innovative solutions to the market. Kanaflex has been in the US since 1952 producing high-quality products capable of outperforming conventional plastic and rubber hose.

Aaron Deer has been named Chief Financial Officer of Kanaflex. Nori Oshiro, who has been with Kanaflex since 2015, has been named Chief Operations Officer and Chief Technical Officer.
